

Greetings Outdoor Vendor Space Invitee:

The Linden Summer Happening Festival previously scheduled for June 23rd through June 26th 2011 has been cancelled.

During the next year the Summer Happening Board will be working with the City of Linden to resolve issues. It is your hope to restore the 36 year old festival for the 2012 season.

For more information on the issues surrounding the cancellation visit www.mlive.com and search for Linden Summer Happening and see also www.tctimes.com .

Sincerely,
Susie Plumb
